

Back To School

AT POINT ROBERTS PRIMARY SCHOOL

BUS SCHEDULE

Please allow five to 10 minutes before and after the times on the schedule for buses to arrive at the stop during the first two weeks of school. Times are subject to change anytime after the first day of school. Not all stops are shown. New riders should plan to board the bus at the stop nearest their home. More bus route information may be obtained at the school transportation office by calling 332-8933.

Nancy Bakarich

the goals established by the Washington State Commission on Student Learning. Our goal is to have all of our students become productive and responsible citizens achieving their highest potential. In order to achieve this goal we need to work together as a team to ensure our students the best education possible. I'm looking forward to this exciting challenge and working with all of you.

In addition to our strong core program, the following support staff will be shared with the Blaine primary school this year on a regularly scheduled basis. Their specific schedules will be determined once the school year has started and schedules are finalized: Leaf Schumann, counselor; Kim Duff, title 1 reading; Katy Ackerson, library/technology; and special services, to be announced.

Please feel free to call or email me with questions, comments or concerns. I can be reached at: Point Roberts primary school, 360/945-2223; Blaine primary school, 360/332-1300; or email nbakarich@blaine.k12.wa.us.

I'm looking forward to a great year with a super staff, student body and community.

PRINCIPAL'S WELCOME

I hope that everyone had a wonderful, restful, summer vacation. We at Point Roberts primary school are looking forward to a great year.

Our school year will start on Wednesday, August 31, with kindergarten through second grade. I know that Mrs. Zimbelman and Mrs. Sim are also looking forward to seeing everyone and getting to know our new students this coming year. We feel very fortunate to have such a supportive community and invite everyone to visit or volunteer in the school. Whether you have children in our building or not, we would love to have your assistance.

We are committed to our continued high standard of excellence and please know that we need your assistance to achieve this goal. We will continue to concentrate on the basic skills in reading, writing and mathematics, focusing on working towards the success of our students in achieving
